Other Notes for THINK Instructors

Rubric Training and Norming

You are expected to participate in a rubric norming session. The sessions will be after fall break and before Thanksgiving for Fall classes, with similar timing for spring courses. This session is designed once again to clarify features and ratings and help facilitate consistent interpretation of the rubric.

Students in Multiple THINK Courses

Students may be enrolled in multiple THINK courses. Students in multiple sections only need to complete one and may choose which course to focus on.
